

## Sample Speaker Testimonials - From Event Producers

"Hazel is a dynamic speaker. I have brought her in to speak several times to our For You/NAFE Networks. Her topics are dynamic and leave the audience with great knowledge that they can take and put into personal and/or business use. She delivers what she promises and does it in a way that the attendee's totally understand the message. I would highly recommend Hazel as a speaker for any organization, conference and or corporation she has an array of topics and talents to share with your attendee's and she makes a difference." **Robbie Motter - NAFE Western & Mid Atlantic Regional Coordinator**

"Thank you for your wonderful presentation. Your topic was most informative and certainly very beneficial to our group. The valuable information on 'Steps from Stress to Success,' including the fun exercises and lessons will not be forgotten." **Joyce Hannah-Law - California Law Enforcement Association of Supervisors.**

"Thank you for speaking at our annual conference. We received many wonderful comments from our attendees about how much they enjoyed Your presentation. Many women walked away that day understanding how Positive thinking and having the right attitude can transform their lives." - Rachel Michelin – Executive Director - CEWAER

"During the course of 90 minutes, Hazel gave us exercises and techniques that allowed for critical inner exploration, providing insights and learning for everyone. One of Hazel's most valuable assets is that she uses her life experience to empower others to learn how not to be pulled down by limiting beliefs. Our group was very fortunate to have spent an evening with her. Her boundless energy and enthusiasm for living is highly contagious." – **Barbara Goldberg - Founder- Salon Forum - LA.**

"Your presentation was thought provoking, interesting and very inspirational. In just an hour, all the girls in my house received some very valuable information—information we could use in daily life in order to reach ours goals. As college students, having goals that could very well affect the rest of our futures, we were shown, and even given proof, that with a set schedule and self-discipline, anything was possible. We really appreciated your honesty and humor as well as your energy and the simplicity of information that could be put into action immediately. It was really great. Thank you." ~ **Cecilia Choy, VP Programming, Alpha Epsilon Phi. -UCLA.**

## **Sample from Attendees**

“Hazel is extraordinary! Her presentation was fun, clear and to the point. I left with a new way of thinking, both on life and for my business and hired her to be my coach. Her expertise is evident in her subtle yet amazingly powerful techniques.” Dr. Lori Grayson – Los Angeles, CA – Presentation participant

"Fantastic presentation! You brought the lessons I learned from 'The Secret' and showed me how to apply them in my own life. Wonderful! Thank you." - Jaime Huff – Attendee at CEWAER Workshop

“Hazel’s workshop was invigorating and thought provoking. I really enjoyed the audience participation. Although the workshop is intended to promote business & self growth, which it certainly did, it was also fun.” - CeCe Merkerson – participant – Business Coach,
